

THE SHUTTER

BRANDON CAMERA CLUB SCHEDULE

Sept. 19th – A Saturday outing to Crow’s General Store to photograph fall colours and other stuff.
Meet at 1 PM – just go past the Green Spot and follow road to the North – it’s on your right side. We ask that you buy an ice cream from Don there.

Sept. 21st – Send Jodie 4 photos from June outing to Crow’s General Store as well as 4 photos of what you did for the summer. Pat Stone will present “Digital Motion”.
We’ll have a show of the Challenge Images from last year and the Winners will be announced.

Oct. 5th – Photo Challenge is Prairie Skies – send in 4. Darlene Perkin will demonstrate how to use a Lens Ball and, for Strut Your Stuff, send in 4 photos of something you are working on.
Special guest Doug Derksen will present “Intentional Camera Motion”.

Oct. 19th – “Help Me Out” – send in up to 2 photos and we will discuss ways to improve the photos.
There will be a video on Portraits and Marlene Smith will show something for Gadgets and Gizmos! The photo challenge is Digital Motion – send in up to 4 photos.

Oct. 25th – Sunday outing to Whitewater Lake – details TBA.

Nov. 2nd – The photo challenge is Fall Colours from Crow’s and Jodie Dunbar will show us a few tips and tricks for Computer Literacy. Jim Atkinson will give a presentation on “Black and White Photography”.

Nov. 8th – A Sunday outing to put our black and white skills to the test – meet at 1 PM at the MPM parking lot downtown (14th and Princess Avenue).

Nov. 16th – The photo challenge is “Intentional Motion”. Pat Stone will show file organization using Photoshop and Andrew March will do the same using Lightroom. Jodie Dunbar will present “Copy Cat” and the challenge is photos from Whitewater Lake.

Dec. 7th – The photo challenge is “Black and White” – send up to 4. We will have a video on using filters followed by a discussion. Stino Scaletta will demonstrate the use of back button focus.

Dec. 21st – The photo challenge is Copy Cat. Bring some photos of Christmas to give people ideas and Marlene Smith will compare Horizontal vs Vertical format.

Jan. 4th – “Covid 19” is the photo challenge as is Christmas photos. Pat Stone will present “Keep it Black-Keep it White - a guide for getting proper exposure.

Jan. 11th – Our next planning meeting.

Jan. 18th - Photo Challenge is "Self Portrait". Darlene Perkin will demonstrate her new photo boxes for "still life" lighting and show a couple of Still Life setups.

Please send your JPG Challenge entries to Jodie (jo.dun44@gmail.com). Make sure the longest side is at least 10 inches and the resolution is 300 PPI.

In the file name put the following: Your Name (pretty important)

The Name of the Challenge - e.g. Water

The Name of the Picture - e.g. Waterfall in the Rockies
